Whereas, this Town Council now deems it to be in the Town's best interests to adopt a written fiscal plan establishing a definite policy for the provision of municipal services to the proposed annexed area as set forth in this Resolution.

NOW, THEREFORE, BE IT RESOLVED by this Town Council of the Town of Westport, Indiana, as follows:

1. The Fiscal Plan attached hereto as Exhibit "1" is hereby adopted as the definite policy of the Town of Westport, Indiana, with respect to the provision of municipal services to the tracts of real estate for which annexation is requested, which tract of real estate is more particularly described as follows, *to wit*:

Part of the Northwest Quarter of the Northwest Quarter of Section 31, Township 9 North, Range 9 East of the Second Principal Meridian located in Sand Creek Township, Decatur County, Indiana, described as follows:

EXHIBIT 1

FISCAL PLAN FOR THE PROVISION OF MUNICIPAL SERVICES TO A 3.000 ACRE TRACT OF LAND FOR WHICH ANNEXATION INTO THE TOWN OF WESTPORT, INDIANA HAS BEEN REQUESTED

Petitioner, NIPRO PHARMAPACKAGING AMERICAS CORP., has filed a Petition requesting annexation of a 3.000 acre tract of real property that is presently located in the unincorporated territory of Decatur County, Indiana, into the Town of Westport, Indiana (collectively the "Property").

This Fiscal Plan is established in accordance with the requirements of IC 36-4-3-3.1 as the definite policy of the Town Council of the Town of Westport for the provision of services to the Property. The following shall be the policy of the Town of Westport regarding the provision of non-capital services to the Property.

1. Non-Capital Services. The Town presently provides services of a non-capital nature within its current corporate boundaries, including without limitation, police protection and street and road maintenance. Such services will be provided to the Property within one (1) year after the effective date of annexation in a manner equivalent in standard and scope that such non-capital services are provided to areas within the Town's current corporate boundaries, regardless of similar topography, patterns of land use, and population density.

Due to the relatively small size of the Property, it is not estimated that any additional Town's personnel will need to be hired to provide such services. As such, it is estimated that the planned services will not result in any material increase in the Town's cost of providing such municipal services generally. The services that are to be provided to the Property will be paid for from the new *ad valorem* tax revenues to be received by the Town from such Property.

2. Capital Services. The Town presently provides services of a capital improvement nature within its current corporate boundaries, including without limitation, street construction and street lighting. Such services will be provided to the Property within three (3) years after the effective date of annexation in a manner equivalent in standard and scope that such non-capital services are provided to areas within the Town's current corporate boundaries, regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.

In conjunction with the relatively small size of the Property, it is not estimated that any additional Town personnel will need to be hired, or capital expenditures made, in order to provide such services to the Property. It is estimated that the planned services will not result in any material increase in the Town's cost of providing such municipal services generally. The services that are to be provided to the Property will be paid for from the new *ad valorem* tax revenues to be received by the Town from such Property.
