

TOWN OF WESTPORT INDIANA  
July 10, 2017

INDIANA DEPARTMENT OF TRANSPORTATION  
COMMUNITY CROSSING GRANT

The town of Westport held a council meeting on July 10, 2017. At this meeting the council discussed at length the Community crossing grant program. There was a large attendance at this meeting, and the board explained the program and answered all the questions of the community.

The community was in agreement that we should continue to seek these grants. At this time we will not be able to supply the signed minutes as they will not be signed until the August meeting. So we are going to provide this letter signed by the board members.
