

TOWN OF WESTPORT, INDIANA
RESOLUTION NO. 1986-1

**A RESOLUTION AUTHORIZING CONSTRUCTION OF A GRAVITY
FLOW SEWAGE LINE PROVIDING SEWER SERVICES TO PROPERTIES
PRESENTLY OWNED BY MR. AND MRS. RUSSELL I. WILSON AND
MR. AND MRS. HAROLD A. SMITH.**

WHEREAS, Mr. and Mrs. Russell I. Wilson and Mr. and Mrs. Harold A. Smith own real estate within the Town of Westport, Indiana, upon which real estate Mr. and Mrs. Wilson and Mr. and Mrs. Smith currently reside, which residences are not presently served by the Town of Westport sewage system;

WHEREAS, said parties have requested the Town of Westport provide sanitary sewer services to them, but the Town's consulting engineer, Commonwealth Engineers, Inc., for upgrading the Town's sewage treatment system has advised that such extension would be too prohibitively expensive to have accomplished at the same time as a force main is installed along road frontage owned by said parties;

WHEREAS, Mr. and Mrs. Russell I. Wilson are willing to grant the Town requested construction right-of-way easement and permanent right-of-way easement for construction of the force flow main if the Town is willing to authorize construction of a gravity flow sanitary sewer to their presently owned residence property within the Town limits; and

WHEREAS, the Board of trustees believes it can do so utilizing Town employees, property owners receiving such services being required to pay the usual hook-on fee;

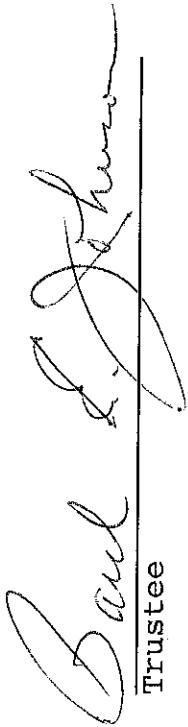

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Town of Westport authorize its employees to construct a gravity flow sanitary line extension from the line presently serving real estate owned by Mr. Paul Snyder, commonly known as the Westport Locker, over such property to the real estate presently owned by Mr. and Mrs. Russell I. Wilson and Mr. and Mrs. Harold A. Smith located within the Town limits, Town of Westport, Indiana, such work to be completed no later than

January 1, 1987 subject to necessary easements being obtained from affected property owners.

Adopted in public session by the Board of Trustees, Town of Westport, Indiana this 10th day of March, 1986 at the Town Hall, Building, Westport, Indiana.
